**MedCom Information:**

Mad River Community Hospital now has the ability to provide our valued employees with free Continuing Education Credits!!
You may access MedCom by clicking on the link below or by going to the MedCom link on the intranet under Staff Development. You may also click on the link to MedCom under “Continuing Education” at the Mad River Community Hospital Site.

**THEN:**

1. Enter your user name: **First name initial with no space followed by your full last name.** (eg. **jsmith**)
2. Enter the password: **mrch**
3. Select the video course you wish to complete

If you want a license number printed on your CEU credit certificate, provide Staff Development with your license number and expiration date by calling extension 3119 or leaving a sealed envelope addressed to Cheryl Furman with this information in the Staff Dev mailbox near the switchboard. Staff Dev will enter this information into the account already created for you.

**MedCom Access link:**

A Couple of Links:

If you have not signed in already when you click on these links, you will need to sign in with both the username AND password: “lifebalance”. 
HOW TO GET TO ACLS, PALS, BLS, AND NRP CLASSES:

AHA CLASSES

INTERNET: Here are instructions on navigating to the 2016 AHA or NRP class schedule file on the MRCH website:
Go to www.madriverhospital.com. From the home page, click on “Continuing Education”. Click on the appropriate schedule name to open.

INTRANET: On the Intranet home page, click on “Staff Dev”. You will see all the files listed on the Staff Development page, including the 2016 AHA and NRP schedules, MedCom, and LifeBalance links

TO ACCESS EMERGENCY MANAGEMENT TRAINING:

You may go to https://training.fema.gov/nims/ to access training for the ICS series from National Incident Management System (NIMS) and also to view other courses available from the Emergency Management Institute.
