

Visitor Guideline Changes

Coronavirus COVID-19

Mad River Hospital is not a testing site for Patients

Mad River Community Hospital is actively monitoring developments with the Coronavirus Disease 2019 (COVID-19). It is important to know that there is currently no immediate threat to our staff or community at this time. However, as Patients are our first concern we are implementing response procedures in the event COVID-19 does pose a threat to our community.

No Patient Visitors EXCEPT:

1. A single significant other and/or birth coach/doula for women in labor (up to 2 people)
2. One Parental visitor for minors in the ER
3. Visitors when a patient has died in the ER
4. No visitors for inpatients, unless death is imminent.

Outpatient Procedures:

No visitors are allowed to accompany a patient for an outpatient procedure.

***A visitor essential to the care of the patient may be permitted with the patient.**
